

SETTING UP MULTI-FACTOR AUTHENTICATION (MFA) FOR INTELGRAPH

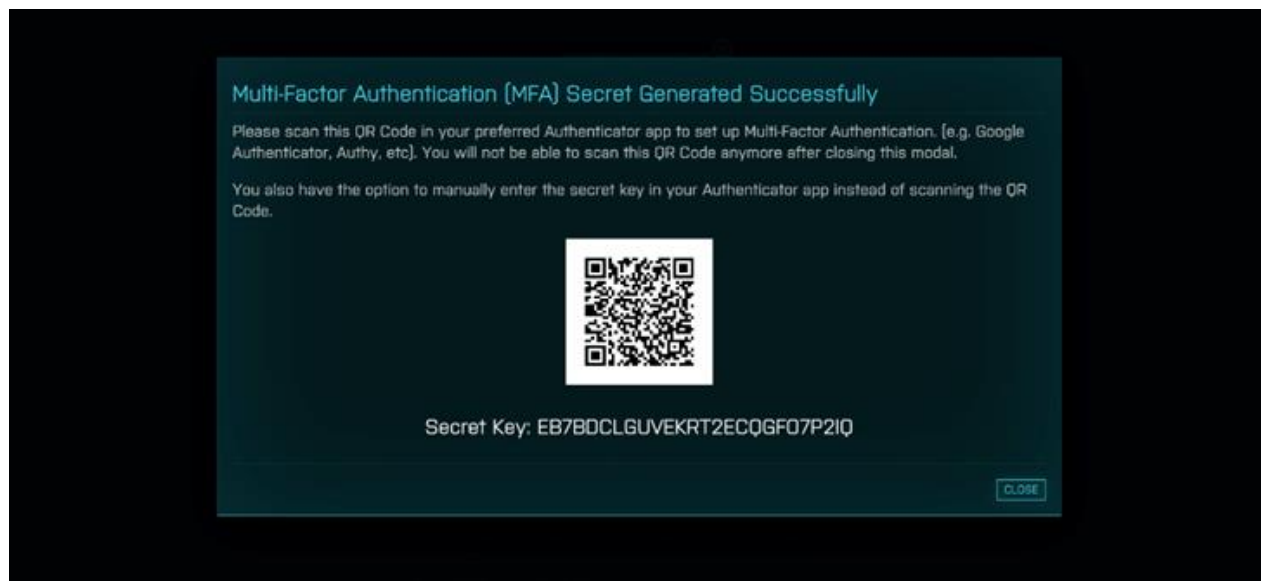

Step 1:

Log into IntelGraph (IG) and receive the following prompt; click the "GENERATE" button:

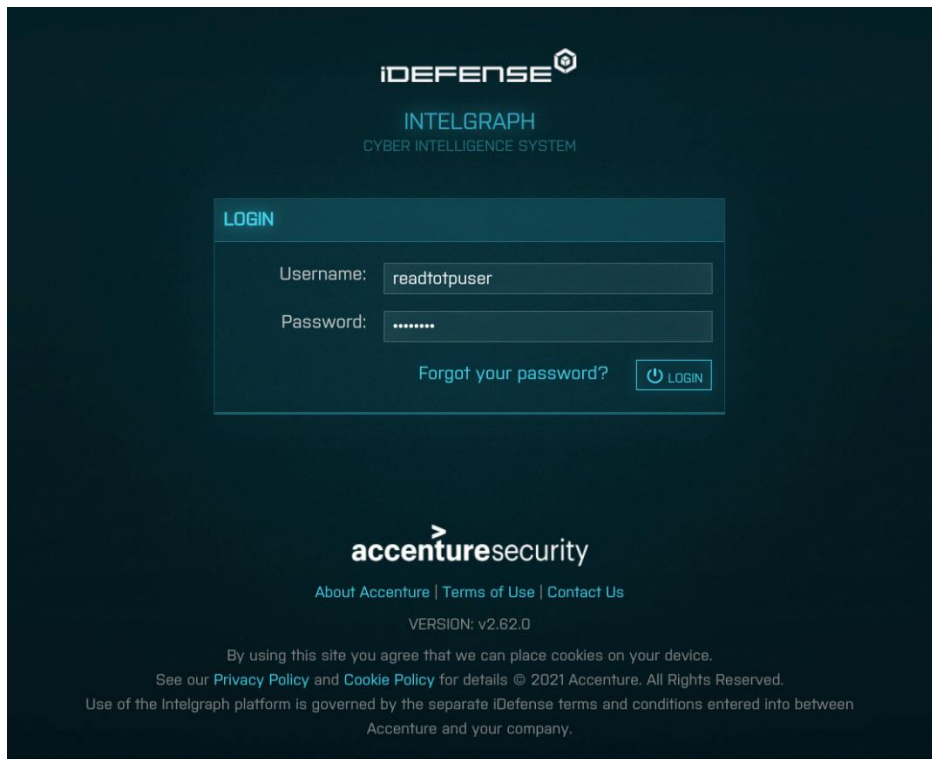

Step 2:

Open your preferred authentication app (e.g., Google Authenticator, DUO, Microsoft Authenticator) and use it to create a new account by scanning the QR code in the IG window or by entering the secret key from the IG window.

Step 3:

Enter password and click "LOGIN"

The image shows the login interface for the iDEFENSE INTELGRAPH system. At the top, the logo for iDEFENSE is displayed next to a hexagonal icon. Below it, the text "INTELGRAPH" and "CYBER INTELLIGENCE SYSTEM" are shown. The main section is a "LOGIN" form with a title bar. It contains two input fields: "Username:" with the value "readtotpuser" and "Password:" with masked characters. To the right of the password field is a "Forgot your password?" link and a "LOGIN" button with a power icon. Below the login form, the "accenturesecurity" logo is displayed. Underneath the logo are links for "About Accenture", "Terms of Use", and "Contact Us". The version "VERSION: v2.62.0" is listed. At the bottom, there is a cookie consent statement: "By using this site you agree that we can place cookies on your device. See our [Privacy Policy](#) and [Cookie Policy](#) for details © 2021 Accenture. All Rights Reserved. Use of the Intelgraph platform is governed by the separate iDefense terms and conditions entered into between Accenture and your company."

Step 4:

Enter the 6-digit MFA code provided by your authenticator app and click "SUBMIT"

The image shows a "Login Using Multi-Factor Authentication (MFA)" dialog box. It has a title bar and a main area with the text "Please enter your 6-digit MFA code." followed by a single-character input field. At the bottom right, there are two buttons: "SUBMIT" and "CANCEL".

You are now logged into IntelGraph!

Troubleshooting:

- If your MFA is failing, ensure it is properly associated with IG by following the steps above carefully.
- If IG locks you out due to too many failed login attempts, contact the CTI Customer Service team via email at CTI.CustomerServ@accenture.com.
